

## “Going to London”

*The red double – decker bus.*

Imagine that you are going on a trip to London with a friend. This and the following lessons you're going to work with the planning of the trip!

The Internet will be your main tool in the planning. Some web addresses are given – the rest are up to you.

**USE NO DANISH WEB ADDRESSES!**

First of all choose dates for your trip. You'll leave on a Thursday and return 4 days later on a Sunday. This means three days and four nights in London!
